From the Engineer-in-Chief(R&B)S.R&CRN, Lr.No. 14715/Plan/E-in-C®/DCE®/EE(CRN)/DEE 9/AEE 9/2015, Dt.20.08.2015.

ORDER:

The Engineer-in-Chief(R&B), State Roads & CRN, Hyderabad in the reference read above has stated that the Hyderabad-Karimnagar-Ramagundam Road is an important State Highway connecting NH 44 to Outer Ring Road. The vehicular traffic on this road is very high. This road is a main connectivity from Telangana State Capital i.e., Hyderabad City to Northern Districts of Telangana State. The President of India will visit Hyderabad on “SOUTHERN SOJOURN” and stay at Rashtrapathi Nilayam, which is located on this road. During these days the VVIP movement on this road will be very high and moreover the Hon’ble Chief Minister of Telangana State is frequently travelling on this road to attend the meetings at Karimnagar District.

2. He has further stated that the above road starts at km 9/6 i.e., Parade Ground, which is having a Four lane road upto km 24/4 and the reach from km 24/4 to 28/0, is existing with carriageway width of 10.00 mts. The road reach beyond km 28/0 and upto Telangana State border was already developed under Public Private Partnership to Four lane carriageway. The traffic passing in the stretch from km 24/4 to 28/0 is facing much difficulty as the carriageway width in this reach is only 10.00 mts. The reach from km 17/2 i.e., Alwal R.O.B upto km 21/2 passes through Cantonment and Defence area and hence can’t be widened as there is no land available for taking up widening. The reach from km 21/2 to 24/4 is not proposed as the Airforce authorities have proposed diversion of road in this reach.

3. He has also stated that the Government of Telangana State had issued orders vide G.O. Rt.No.144, TR&B(R.II)Dept. Dt.17.03.2015 for improvements of (16) Radial Roads which are connecting in between Inner Ring Road to Outer Ring Road and this Hyderabad-Karimnagar-Ramagundam road is also one of the Radial Roads No. (14) which is also proposed for improvements. For taking up of this Radial Road, Consultants are yet to be appointed for preparation of Detailed Project Reports and Land schedules are also to be prepared by the Consultants. This process will be taken much time for grounding of this Four lane road. Presently the vehicular traffic on this road is very high and the passing traffic is facing much inconvenience from km 24/4 to 28/0 due to the narrow width of the carriageway of 10.00 mts, in view of the above there is much necessity. Hence he has prepared estimate amounting to Rs. 1503.00 lakhs.

4. The Engineer-in-Chief (R&B) State Roads & CRN, Hyderabad, has requested the Government to accord administrative sanction for the work of “Widening and Strengthening of Hyderabad-Karimnagar-Ramagundam road from Km.24/4 to 28/0 in Rangareddy District” for an amount of Rs.1503.00 lakhs under Corenet Plan Scheme.
